

hey exit slow name

gone pretty far gone

if it's so nice out tell me what i'm lookin at

autumn with bricks

city

birds overhead

at least a few months

what time is it there?

worms underfoot

boston

i just wanna hear her play the drums already

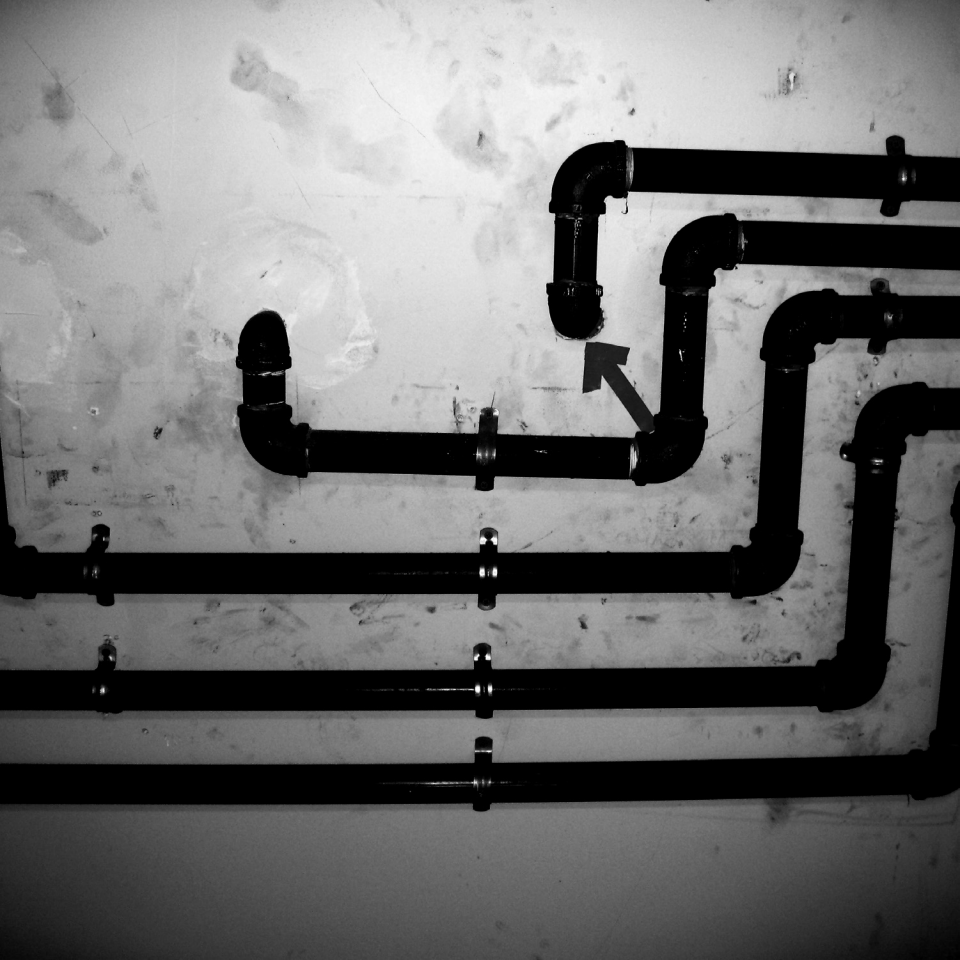

Riverdale
It was an optimistic time?

at the same time the Irish

brendan landis - guitar, contact mics, vox

all single takes no overdubs blah blah
except that one track with the long vocal overdubs

recorded in oakland summer to fall '09
mastered by beau sievers

thx friends / family / teachers

ey exit slow names

“The first time I used a phonoscope, I examined a B flat of medium size.
I can assure you that I have never seen anything so revolting.”
- Erik Satie, *What I Am*
